Dear Friend,

Public service is about making a difference for your community, your state and your country.

Making a difference is what my son

Chad and daughter Donna are doing right now, in service to our country as Officers in the United States Air Force. They encouraged me to run for the Assembly, because they believe I can make difference in Sacramento. I don't intend to let them, or you, down.

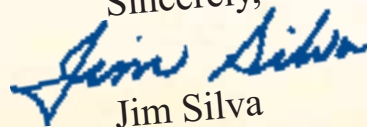

My common sense approach to issues is based on my conservative principles of limited government, lower taxes, safe neighborhoods and strong families.

In Sacramento, I will work to stop the government from growing faster than inflation and population and will look for ways to reduce bureaucracy and make sure our tax dollars are not wasted.

I will also fight hard to make sure our tax dollars are not going to benefit illegal aliens, who should be sent home, not given amnesty.

I would be honored to have your support.

Sincerely,

Jim Silva
