The Conservative Republican for State Assembly!

Jim Silva – The Proven Tax-fighter we need in the State Assembly

Jim Silva is a strong fiscal conservative who has never failed the taxpayers of Orange County.

As our County Supervisor, Silva protected us from tax increases while leading the county out of the bankruptcy mess with sound fiscal policies.

That's why Jim Silva has earned the trust and support of taxpayers who actually live here in our area.

Jim is a trusted leader with a proven record of fighting higher taxes.

We need Jim Silva in the State Assembly.

“As homeowners and taxpayers in Seal Beach we know that Jim Silva has always been there for taxpayers and he always will be.”

**• BARBARA AND TERRY BARTON
